DECLARATION UNDER 37 C.F.R. §1.131

I, Matthias Muth, a named inventor, hereby declare and state:

1. This Declaration is submitted as evidence that the subject matter claimed in Claims 1-9 and 11-16 of the above-identified application was invented by the named inventor prior to May 30, 2002, the effective U.S. filing date of U.S. Patent Application Publication No. 2003/0226059.

2. I am the named inventor in the above-identified application.

3. I am an author of the attached invention submission document "Systemchip mit Fehlerstatistik Unterstützung," created prior to May 30, 2002, a true copy of which appears as Exhibit A attached to this Declaration.

4. In the copies attached hereto, dates and other material that could indicate dates may have been masked out as permitted under the U.S. patent rules.

5. Exhibit A describes a system chip supporting failure statistics and evidences conception of the subject matter recited in claims 1-9 and 11-16 of the above-identified application.

6. Exhibit A describes an invention conceived prior to May 30, 2002, coupled with diligence leading up to a subsequent reduction to practice. This invention is claimed in the above-identified application.

7. I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine and/or imprisonment under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing therefrom.
